

To ALL Members

It's that time of the year again when we as a Club go "on show" by providing water safety to the Devonport Triathlon (21st & 22nd Feb), The Hydrathon (22nd Feb) and the Pub to Club (Sunday 1st March).

For the Triathlon we will need Ducky drivers and crew to set the course and numbers on boards and skis for water safety (minimum of 8 exc ducky's for Saturday's races) and 12 for Sunday's race.

In addition to water safety we have also been offered a spot again to operate our barbecue for the triathlon. This was a great money earner for the club last year BUT, we need numbers to share the load.

The Hydrathon is a new initiative driven by Luke O'Garey and we all need to get behind him and support this, so if you are not racing please get down there to help out. We will need water safety, course set up and management, BBQ and bar staff. If you are unable to do any of that just come down and watch, it will be a great show.

The Pub to Club is on again in conjunction with the Regatta on Sunday 1st of March and we will need plenty of Water safety. Once again this is a great income earner for the club but more importantly it showcases our abilities and support of the community.

I have put sheets on the notice board at the club for you to nominate which events you can assist with and what times. Please be there 20 minutes before each race and 30 minutes before the pub to club (you need to allow time to get around to the start).

Once again, this need not be a burden if we all step up and do a little bit. It will be a great time to be around the club, so grab the family and head down to be a part of it.

If you have any queries please contact us on the numbers below.

Rod McCormack; Triathlon water safety and Pub to Club 0407 230 053

Luke O'Garey; Hydrathon 0448 362 102

Shelley Tyson; Barbecue 0438 272 366
